University of Memphis
Graduate Assistantships in Clarinet

The clarinet program at the University of Memphis Rudi E. Scheidt School of Music boasts a fine cadre of young clarinetists. They come from around the nation to enjoy membership in the university bands, orchestras and chamber ensembles. Additionally, they partake fully of the ethnic, jazz and classical performance opportunities plentiful in the musical palette of Memphis. As lovers of the clarinet, they work hard to meet the demands of a highly competitive professional environment.
